

Gathering of the Clans

Meeting of the Parishes and Towns that will compose the Levels and Moors Local Community Network

Monday 22nd May 6pm Edgar Hall Somerton

Agenda

Note: This is intended as an informal gathering which will be a success if we all get to know each other and understand each other's priorities a little better. We are not seeking to impose any leadership or structure on our grouping. We do think that if we know what each other are about we can make a better fist of moulding the LCN to our needs.

With this in mind, we are suggesting that each Council that attends comes prepared to talk for five minutes on the following.

The Basics:

Where we are	
How big we are	Land, Population, Budget
How many councillors	(no and frequency of meetings)

The Good Stuff:

- Any major recent projects completed.
- Major projects underway or being thought about.
- What we are best known for by people outside.
- What we like about the place.

The Niggles:

- If there were three things, we could fix they would be...

The Future:

- If it turns out we can organise ourselves effectively in this LCN is there a particular policy or issue we would like to see the LCN address.

If a small number of clear topic areas emerge then the interested parishes will sit together and quickly hammer out a clear description of the topic so that when the LCNs form those topics can become immediate priorities.

Each topic group will announce their clear descriptions and then the meeting will close.

Our thanks for considering participation in this event and we very much look forward to seeing you there.

Best
